Province of Cebu
OFFICE OF THE GOVERNOR

02 October 2025

TRAVEL ADVISORY

While the northern Cebu area, particularly Bogo City and the towns of San Remigio, Medellin, Daanbantayan, Tabogon, Tabuelan, and Sogod, were affected by the magnitude 6.9 earthquake that struck Cebu last Wednesday night, we would like to inform the traveling public that it is safe to come to Cebu, especially to the central and southern reaches of the island.

It is also business as usual at the Mactan Cebu International Airport (MCIA) in Lapu-Lapu City and at the ports of Cebu, particularly in Cebu City, so that visitors continue to come and go without any inconvenience that resulted from the earthquake.

We advise visitors to stay informed while traveling to Cebu by monitoring the local news and to seek guidance only from official sources, like the Cebu Provincial Government and concerned government agencies, particularly the Philippine Institute of Volcanology and Seismology (Phivolcs).

You may also coordinate with your travel agency, your travel provider, or with the MCIA and the Cebu Port Authority, for up-to-date and real-time information.

You may likewise reach the Cebu Provincial Government for further information by dialing (+6332) 888-2328, locals 1130 and 1133 (Provincial Tourism Office), during office hours.

Thank you.

With you in good governance,

SIGNED

PAMELA S. BARICUATRO
Governor
